

Disability Public Policy Fellowship Opportunity

A six month fellowship with the DDC to learn and advocate on disability policy.

During the 2017 legislative session:

Spend two days in Olympia working with the DDC Public Policy Director and to learn about public policy and legislative process by:

- Researching specific legislative issues
- Attending and summarizing legislative hearings
- Preparing briefing papers
- Preparing and presenting testimony
- Educating and informing legislators, staff and agency officials
- Developing problems into systems issues

During the interim:

Monitor implementation of legislative policy
Review draft WAC's and administrative policies
Participate in interim activities

Important Specifics:

Travel and related expenses provided. Monthly stipend and other considerations will be negotiated.

E-mail account and cell phone provided
