Our Mission: Transforming lives by providing support and fostering partnerships that empower people to live the lives they want.

Our Vision: Supporting individuals to live in, contribute to, and participate in their communities; Continually improving supports to families of both children and adults; Individualizing supports that will empower individuals with developmental disabilities to realize their greatest potential; Building support plans based on the needs and the strengths of the individual and the family; and Engaging individuals, families, local service providers, communities, governmental partners and other stakeholders to continually improve our system of supports.

Our Values: Respect gained through positive recognition of the importance of all individuals; Person-Centered Planning to support each person to reach his or her full potential; Partnerships between DDA and clients, families and providers in order to develop and sustain supports and services that are needed and desired; Community Participation by empowering individuals with developmental disabilities to be part of the workforce contributing members of society.
