

Developmental Disabilities Council
Member Development Session

Date: January 18, 2018

Time: 12:30 pm to 1:15pm

Developmental Disabilities 101

Goal: To share information with Members, which you in turn can use when talking with your own Legislators

During the Member Development Session, Staff will:

- review materials used to provide basic education to Legislators on Developmental Disabilities
- provide Council Members with copies of the information sheets (provided at Council meeting)
