

Family Caregiver Support Group

Caring for someone with Down Syndrome who exhibits symptoms of memory loss?

The Alzheimer's Association invites you to participate in a new support group offering.

- Exchange practical information on caregiving problems and possible solutions
- Talk through challenges and ways of coping
- Share feelings, needs and hopes
- Develop and maintain self-care skills
- Learn about resources available in the community
- Discuss your questions and concerns

Starting in August

**For more information
